Executive Summary

This program is an accounting entity that holds the budget for Facilities costs for the State Courts and the Tax Supervising & Conservation Commission in Multnomah County. ORS 1.185 requires that counties provide court space for the state courts.

Program Description

The Facilities organization provides services ranging from planning, construction, operations and maintenance, to cleaning the buildings and grounds for courtrooms located in Multnomah County's owned and leased facilities.

Program Justification

County-provided courtroom space is a key resource in the County's justice system. Multnomah County courts' central locations allow easy access to the court system, provide visibility to the community of the safety system at work, and allow the justice system to hold offenders accountable.
