**Executive Summary**

The ME's Office determines cause of death for residents who die in special circumstances, such as accidents, violence, drug involvement, and employment.

**Program Description**

The ME's Office determines cause of death for residents who die in special circumstances such as accidents, violence, drug involvement, and employment.

Approximately 3,800 of the County's 7,000 yearly deaths fall into this category. The office is responsible for establishing cause and manner of death, notifying the next-of-kin, and protecting the property of the deceased until a personal representative takes charge. Local discretion is limited by the mandates and State Medical Examiner supervision authority arising from ORS 146. The DA's Office provides assistance when necessary.

**Program Justification**

Because the Medical Examiners Office is highly visible to the public whenever a death occurs within a community the program connects to the Communities factor of the public safety map and specifically falls under the Visible Public Safety System sub-factor.
