

Program # 25051 - Mental Health Safety Net Administration

Version 2/17/2006 s

Priority: Accountability

Lead Agency: County Human Services

Program Offer Type: Administration

Program Contact: Nancy Winters

Related Programs: 25050, 25052, 25079A

Program Characteristics:

Executive Summary

Administers safety net programs to ensure services are available to Multnomah County residents experiencing a mental health crisis that makes them a danger to themselves or to others. Monitors the mental health system, and works with key partners to create a responsive crisis system for the safety of the community.

Program Description

The Safety Net program provides mental health services to treat and support the most vulnerable members of our community while safeguarding their lives and their civil rights in a culturally competent manner. Many services are mandated by State or Federal law, or Oregon Administrative Rule and all are essential to the community mental health program. Safety Net services include the 24 hour a day, 7 day a week Call Center, Crisis Services, Court Examiners, Involuntary Commitment, Post Commitment, and Residential Services. It is the responsibility of Safety Net administration to ensure that all mandated programs are in place and running effectively so that the needs of residents are adequately served. Safety Net administration works with Mental Health and Addiction Services Division (MHASD) administration to assess the system of care for gaps or barriers to service and alter course accordingly. Monitors and adjusts the system to accommodate changes in funding or regulatory requirements.

Program Justification

The Safety Net Administration links to the Accountability priorities through its role in effectively managing limited resources and service delivery costs in partnership with MHASD Administration. Working with community partners, Safety Net Administration builds a coordinated system of care for the residents of Multnomah County. This system includes information and treatment referral, assistance in accessing Oregon Health Plan and other entitlements, monitoring the safety and civil rights of individuals held against their will in a psychiatric facility, and development and monitoring of licensed residential facilities for adults with severe and persistent mental illness. Administration is responsible for ensuring that trained and qualified staff are available to provide these critical, safety net services so that vulnerable individuals in crisis receive the highest quality treatment possible. Safety Net Administration, along with MHASD Administration, is working to increase the public's awareness of the crisis and safety net programs available.

Performance Measures

Measure Type	Primary Measure	Previous Year Actual (FY04-05)	Current Year Purchased (FY05-06)	Current Year Estimate (FY05-06)	Next Year Offer (FY06-07)
Output	Total Media Releases Issued To Increase Public Awareness Of Crisis Resources	0	1	2	4
Outcome	Percent of Quarterly Press Release Target Achieved	0%	25%	50%	100%
Output	Total Call Center Lines of Business	1	4	4	5

Performance Measure - Description

In order to improve efficiency and customer service to community and allied partners the call center began adding lines of business in FY 05/06. Verity Member Services added for 24/7 access to a previous office hour line, dedicated line for police, after hours members services for Family Care.
