**Program Characteristics:** 

#### **Executive Summary**

This program provides for the investigation of crimes involving the sale, distribution, and manufacturing of illicit drugs.

Per decisions made by the Board of County Commissioners, a reduction of \$576,775 was implemented for this program offer. At the time of publication, the impact to the results of this program are unknown.

#### **Program Description**

The purpose of the Special Investigations Unit (SIU) is to investigate illegal drug activities in the Metro area, and other criminal activity as directed by the Sheriff. The unit conducts criminal investigations regarding street level illicit drug activity, up to and including the prosecution of federal narcotics crimes. The SIU gathers evidence in both criminal and civil forfeiture cases.

The SIU conducts investigations into clandestine meth labs. Their investigations take them into areas considered hazardous to health and public safety. Investigations conducted by the SIU detectives have resulted in indictments and prosecutions in numerous meth lab cases. SIU coordinates clean up of drug labs.

## **Program Justification**

This program supports several aspects of the Safety Priority, of which the community has identified methamphetamine as a growing problem impacting the community's safety and livability. At current the Detective Special Investigations Unit is tackling this ever growing problem. The Sheriff is meeting this concern and the impact it has on the citizens of Multnomah County.

This program functions as part of the Adult and Juvenile Public Safety System through the strategies of the Treatment Service Continuum, Juvenile Intervention, Agency Collaboration and Offender Accountability, and enhances Communities through Violence and Drug Free Schools.
