Executive Summary

The Information Technologies Unit provides PC desktop support, software application and server support and maintains the Juvenile and Adult case tracking systems (Crimes) for the entire office.

Program Description

The IT unit purchases, installs, and maintains all hardware and software for the District Attorney's Office. The Unit supports all servers, desktop and laptop personal computers and is responsible for the Adult Crime and Juvenile Crimes case tracking systems. It also maintains a help line for all DA users and is responsible for the collection and preparation of statistical data reports.

Program Justification

The District Attorney's Support Programs provide logistical, clerical, financial, Human Resource, technical expertise and/or general support to all direct service operations programs assigned to the County's Safety and Basic Needs Priority areas. This program allows the District Attorney to fulfill a legal responsibility under state law to maintain a register of official business, in which the District Attorney make a note of every action, suit or proceeding commenced or defended by the district attorney in official capacity, and the proceedings therein.
