Executive Summary

Enforcement Support maintains law enforcement reports for the Enforcement Division and performs all County warrant entry on a 24/7 basis. Staff also arrange extraditions for persons arrested due to warrants. Furthermore, they provide clerical support to Civil Process, Alarms Ordinance, and Concealed Handgun Permitting (shown as separate offers).

Program Description

In cooperation with the Courts, Enforcement Support enters all County-wide protective orders and warrants into LEDS and NCIC, the statewide and national databases, which then furnishes officers statewide and nationally with relevant information to act upon, carrying out their necessary duties, contributing to a safer community. They also coordinate with neighboring Public Safety agencies on the service of warrants outside of Multnomah County.

Program Justification

In order for the Law Enforcement and Civil Deputies to perform their duties well, Enforcement Support must perform theirs well. They depend on the Enforcement Support to provide relevant and most up-to-date information in order to make an educated decision on how to follow through on any given situation. They, in turn, can effectively prevent and intervene on criminal activities.
