Executive Summary

The Health Department's Leadership Team (DLT) includes the Department Director, Assistant Director, as well as the Directors for the three large service areas within the Department: Community Health Promotion, Partnerships and Planning (CHP3), Community Health Services (CHS) and Integrated Clinical Services (ICS.)

Program Description

DLT is responsible for systems-based integration of health services and operations to provide quality best practice services; strategic partnerships; leadership and direction for public health issues; assurance that financial commitments are met; continuous improvement of service delivery systems; and maintenance of a diverse and qualified workforce with high job satisfaction.

The Director's Office is responsible for leadership committed to the Health Department's mission, vision, values and strategic objectives. The Director is the primary liaison to federal, state, county and local elected officials, the Community Health Council, and County department leadership.

The Community Health Promotion, Partnerships and Planning (CHP3) Director is responsible for partnerships which support health disparities reduction and create linkages within community systems. The Director supervises CHP3 programs that provide best practices and timely health information and education to County, communities, policy makers and citizens.

The Community Health Services (CHS) Director supervises CHS services: 1) communicable and environmentally influenced disease programs; 2) services for families with young children and Oregon Health Plan enrollment; and 3) public health emergency preparedness. The Director is responsible for partnerships with CDC, State, Conference of Local Health Officials, business and citizens.

The Intergrated Clinical Services (ICS) Director is responsible for developing and maintaining strategic external (hospital systems, health insurance systems, State, and community) and internal partnerships; providing leadership for the efficient and cost-effective performance of a complex integrated clinical delivery system; and working with community, state and federal agencies to ensure access to high quality clinical care.

Program Justification

The Health Department's Leadership Team strongly links to Accountability request for offers by creating and communicating a clear vision and direction for County government, its programs, and its partnerships; establishing processes for citizen involvement in decision making; managing resources and service delivery costs effectively through maintenance of a diverse and qualified workforce; through continuous evaluation of and streamlining the delivery of service and operations through results-based processes; and by providing reliable information for decision making, improving results, and reporting results through community health reports and processes for community partnerships in addressing community health issues.

Performance Measures

Measure Type	Primary Measure	Previous Year Actual (FY05-06)	Current Year Purchased (FY06-07)	Current Year Estimate (FY06-07)	Next Year Offer (FY07-08)
Output	Increased access to Health Dept. services as measured by # of clients served.	153,000	155,000	155,000	155,000
Outcome	Annual increase in Federal and State resources leveraged for services.	70,720,658	73,000,000	77,134,705	79,000,000
Output	Number of "all staff" Departmental communications.	15	20	40	60

Performance Measure - Description

Increased access projection is flat due to increased number of uninsured. Our ability to serve increasing numbers of uninsured clients is dependent on the availability of general fund or grant revenue to cover the cost of their care.
