**Program Characteristics:**

**Executive Summary**

The Department of Community Justice (DCJ) engages and informs the community through collaborative contracting, developing new services and maintaining an effective website. To hire a qualified and competent staff devoted to community safety, DCJ conducts appropriate background investigations on potential employees. This unit is often asked to work closely with non-profit providers and community members to collaboratively problem solve both contract and service related issues.

**Program Description**

The Support unit includes staff who provide administrative support to both the Juvenile and Adult Divisions. Responsibilities include:

- 1) Strengthening community and victim services through system improvements.
- 2) Maintaining a highly used web-site (among the top ten sites for the County). Publishing three electronic newsletters designed to keep both our employees and the public informed of Department and community issues.
- 3) Administration and operational support for alcohol and drug and mental health services for adult offenders.
- 4) Procuring approximately 15 million dollars of contracted services and providing the overall management and direction for these services.
- 5) Supervision and support of the Quality Systems Management and Evaluation Services, Human Resources, Training and Volunteer functions of DCJ.

**Program Justification**

Public safety cannot be achieved without investing in both our community and our employees. Careful background investigations ensure that we hire qualified, ethical people. Training programs further develop skills specific to working with the needs and criminality issues of an offender population. Contracting processes ensure fairness and accountability in procuring and providing treatment services. Websites, publications, victim services and volunteer engagement make DCJ programs and services more transparent to citizens. By hiring the right people, giving them the tools they need to do their job and partnering with community members, we can best meet DCJ's mission of changing offender behavior and keeping the community safe.
