**Executive Summary**

The Sheriff and related staff engage the community in defining and prioritizing public safety needs. **Program Description**

Activities include working with other agencies and departments to ensure the public safety system is balanced, works effectively together, and meets the expectations of the community in a fair and equitable manner. The Sheriff frequently contacts business and community leaders to assess and define their needs then applies that information to the priorities and strategies of the agency. The Sheriff is a member of the Oregon State Sheriff's Association, which guides industry standards and policies. The Sheriff maintains regular communications with employee, union, community and government leaders. The Sheriff swears in sworn employees, conveying a personal commitment between the employee and Sheriff personally.

Through the Public Information Officer, the community is informed and educated about important issues relating to the Sheriff's Office.

An independent review of revenues and expenditures are routinely performed by staff for efficient use of taxpayer's dollars.

**Program Justification**

This program supports the priority indicator of public perception of trust and confidence by identifying and understanding the citizen's need to communicate between themselves and their elected officials. Public interaction through meetings, media events, public web site, and electronic mail create frequent, genuine-feeling interactions with their elected Sheriff. ORS 206.010 describes the Sheriff as "the chief executive officer and conservator of the peace of the county." Elected countywide, the Sheriff is accountable to the public for delivery of law enforcement and corrections services to ensure all citizens are protected in a fair and equitable manner.
