Executive Summary

The Transport Unit is responsible for the moving of prisoners to courts, Multnomah County Correctional facilities, to medical appointments outside of the facilities, and to act as a Hub for the multi-state cooperative transport system. The number of prisoners transported in FY06 exceeded 60,000.

Program Description

The Transport Unit interfaces with all MCSO Correctional facilities. In addition to transporting inmates among the jail facilities and to court, the unit transports prisoners released by the courts, transferred to the State Prison, and to medical appointments outside of the correctional setting. The Transport Unit also is a main component of the Multi-state Cooperative Transport System, which shares the cost to move prisoners among different jurisdictions on buses and vans. The Transport Unit moves prisoners to Eastern Oregon once a week and to Salem twice a week.

Program Justification

The Transport Unit contributes to Public Safety by assisting with Offender Accountability as part of the Multnomah County jail system. The function also enhances Government Accountability with taxpayer savings as a result of the Multi-state Cooperative Transport System that cost-effectively moves prisoners among jurisdictions.
