Executive Summary

Federal Weed and Seed funds are passed through to the Police Activities League of Portland to fund crime prevention activities in the Albina and Rockwood neighborhoods. Weed and Seed funds are intended to help communities develop sound Weed and Seed strategies, implement an effective, coordinated program and leverage additional federal, state and local support to sustain the Weed and Seed program over the long term.

Program Description

Weed and Seed is a comprehensive, multi-disciplinary approach to combating violent crime, drug use and gang activity in high crime neighborhoods. The goal is to "weed out" violence and drug activity in high crime neighborhoods and then to "seed" the sites with a wide range of crime and drug prevention programs, human service resources and neighborhood restoration activities to prevent crime from re-occurring. The strategy emphasizes the importance of a coordinated approach, bringing together federal, state and local governments, the community and the private sector to form a partnership to create a safe, drug-free environment.

Program Justification

Weed and Seed funding applicants are required to identify other funding sources at a level five times the core grant award amount of \$175,000. By the end of the five year funding period, leveraged funding should equal or exceed \$875,000.

Weed and Seed revenue is pass-through-funding to individual neighborhood agencies. They will be formulating a strategy to address the loss of funding in future years.
