Executive Summary

Funds to operate 78 additional beds at the Detention Center.

Medical, mental health and dental services at MCDC for 2 housing areas on the 6th floor (6C & 6D) are provided for 78 Inmates in double bunk male general housing. Physicians, nurses, mental health staff provide 24 hour emergency response, evaluation and treatment.

Program Description

This offer opens general housing dorms, including 62 male beds and 16 female beds, at the Detention Center.

Program Justification

The Sheriff's Office under statutory authority to maintain population levels in a population emergency, released 4520 inmates into the community in 2005. This offering, in conjunction with the MCIJ and Wapato Offerings, will eliminate these Emergency Releases. Operational budget figures are derived from staffing and essential service functions mandated in safe and humane corrections standards.

The program's mission is to ensure that inmates are not medically harmed during their jail stays, are medically and mentally stabilized, and are treated humanely. Suicide prevention is a primary goal.

Output	Bed Days*	28,470	28,470	28,470	28,470
Outcome	Inmate and staff assaults**	267	4	267	267
Output	Number of inmate requests for care	800	0	800	700
Outcome	Ratio of suicide watches to successful suicides per month	25	25	25	25

Performance Measure - Description

 **Measure Changed**

*Bed days is calculated by number of total beds (78) multiplied by number of days in a year (365).

**The number of inmate to staff assaults is 82. The number of inmate to inmate assaults is 185.

The numbers are expressed for inmate and staff assaults are based on a facility level not a dormitory level.

The output primary measure, Number of inmate requests for care evaluated by nurse monthly, is a new measure. This is because of the joint offer between MCSO and Corrections Health.

The outcome primary measure, Ratio of suicide watches to successful suicides per month, is a new measure. This is because of the joint offer between MCSO and Corrections Health.

Legal/Contractual Obligation

Federal law, state statute and county charter mandate the Sheriff maintain the local detention facility(s) within the Sheriff's jurisdiction. Under the same laws, local detention facility managers are mandated to operate safe and humane facilities.

The right to health care in jail is legally mandated under Federal and state law. When an individual is arrested and incarcerated, the obligation for health care falls upon the government as a matter of constitutional law, enforceable under the U.S. Constitution's 8th Amendment and the 14th Amendment's due process clause.
