**Executive Summary**

This program offer is part of the MCSO plan to adhere to Board Resolution 06-185 declaring Board policy for all Multnomah County Sheriff Deputies to receive Crisis Intervention Training (CIT). Both Multnomah County and the City of Portland have indicated an interest in getting police and deputies trained in CIT. Multnomah County historically has gone to the CIT training provided by the Portland Police Bureau. This is the most cost effective and consistent manner to ensure all police receive the same training. The City of Portland is providing training classes this fiscal year. They have agreed to provide a certain number of slots to the Multnomah County Sheriff's Office in effort to further the goals set forth in the above mentioned Board Resolution.

Program offer "A" completes the training for all Law Enforcement Deputies.

**Program Description**

Crisis intervention training emphasizes "best practice" protocols for law enforcement officers who, during the course of their duties, come into contact with mentally ill persons. Organizations ranging from Multnomah County's Public Safety Coordinating Council to Oregon Partners in Crisis have been calling for all law enforcement officers to receive 40-hours of CIT. The current practice in many agencies is to have some CIT-trained officers on-duty and on-call should situations arise. This program offer part of our plan to ensure all Sheriff Deputies to receive CIT as a matter of policy.

**Program Justification**

The CIT program directly addresses the Safety priority strategy of "Address the mental health needs of offenders requiring treatment" by providing deputies with the training to recognize potentially mentally ill offenders.
