Executive Summary

The MCSO Fiscal Unit program provides comprehensive Budget and Fiscal services to the entire Multnomah County Sheriff's Office (MCSO). The MCSO has over 800 employees and over a \$100 million agency budget. The Unit conducts data analysis and information reporting to the MCSO management and staff as well as through the Executive Office provides information to the public.

Program Description

The Fiscal Unit performs a core agency function by gathering data, entering, analyzing and reporting to Command Staff fiscal information so that strategic operating direction can be taken. The Fiscal Unit makes certain that funds are available for running the agency's operating programs and documents their use by performing budget development and monitoring; fiscal projections; accounts receivable and payable; inmate welfare fund accounting; contract development and monitoring; grant accounting as well as monitoring County internal service reimbursements.

Program Justification

Fiscal Services provides the necessary skills and tools to analyze and review the programs that the MCSO is delivering, which is an essential part of the program success feedback loop. The analysis contributes to offender accountability, collaboration with other departments and agencies, and the information generated provides the basis for a public dialog regarding the criminal justice system.
