Executive Summary

The Corrections Support Unit (CSU) maintains all records and data concerning inmates in MCSO custody. CSU processes inmate bookings, transports, release dates, court orders, release information and monitors Federal prisoners. The Unit is currently staffed 24 hours per day, 365 days per year.

Program Description

CSU: creates and maintains the computerized bookings and releases; processes all inmate court orders; calculates release dates for sentences; makes inter and intra-state transport arrangements for inmates; case manages all Federal inmates; Parole and Probation inmates and Fugitive inmates; provides receptionist duties for the MCDC; answers the main telephone line for all Multnomah County Jails; scans and maintains all custody documents according to State archive rules and regulations; and schedules and monitors all persons sentenced to serve weekend sentences.

Program Justification

CSU has the responsibility to ensure all arrestees are booked into jail correctly, quickly and efficiently. In order to insure the safety and security of the correctional staff, the law enforcement agencies and the community, we must be meticulous and thorough in processing bookings, transports, court orders, sentences and releases. We must be diligent in safeguarding the rights of all inmates and arrestees, thereby limiting the county's liability exposure. We work extremely closely and cooperatively with other agencies such as The United States Marshal's Service, US Immigration, the State of Oregon Court system, the District attorney's office, the Department of Community Justice (Parole and Probation) of Multnomah County.
