Executive Summary

MCSO Counselors provide: direct supervision to offenders to ensure safety, security and compliance with statutory mandates; case management; group counseling; educational services; mental health services and direct transition linkage with community providers (Alcohol and Drug, mental health, jobs, housing, etc.)

This program offer has been revised to reflect the Executive budget cuts. Compared to the original offer, this program has been cut by \$85,000 and 1 FTE corrections counselor for a full year. This cut results from the closure of the 8th floor in the MCDC program offer, with counseling services for that floor no longer provided. These amounts cut from the original offer are contained in 60037B.

Program Description

Three areas of activity are vital to the mission of the Multnomah County Sheriff's Office, but the counselor's role in providing these services is often invisible to the casual observer. Inmate Management: Counselors assess, evaluate and place offenders on the many work crews; provide orientation to help offenders navigate through the complex criminal justice system; diffuses escalating behavior; provide mental health services that link offender to services in the community; equip offenders with skills to manage behavior; offer group counseling to diminish criminal thinking errors. Jail Bed Management: Maximizing efficient use of jail beds by appropriately placing offenders in community beds while developing community partnerships. Public Safety Management: Providing resources and group counseling that decrease offender booking frequency by making skilled assessments, offering pre-treatment counseling and providing appropriate referrals to the community thus linking offender to providers at time of release.

Program Justification

The Inmate Programs Unit maximizes efficient use of jail beds by assessing and placing offenders in the community, while providing services and maintaining partnerships with other agencies, that decrease offender booking and support offender management in a cost effective manner.
