Executive Summary

Medical, mental health and dental services at MCIJ for 1 housing area provided for 59 inmates in male general housing. Physicians, nurses, mental health staff provide and 24 hour emergency response, evaluation and treatment, essential medications and health education for urgent and chronic needs to provide a safe environment for everyone.

Program Description

This offer, Program Offer 60041J-New, and Program Offer 60041K-NEW are a further scaling of the original Program Offer 60041I due to the necessity to be more defined in the jail dorm offers. This offer funds Dorm 1 at Inverness Jail. This dorm provides general housing for 59 inmates.

Program Justification

The Inverness Jail is established in accordance with applicable state statues and regulations, with the goal of ensuring public safety by providing professionally managed detention services to confined offenders, pursuant to judgment of the courts. The jail administers its operation in an equitable manner, and in the least restrictive environment consistent with public safety. The facility serves as the central link for regional networking through the inmate transport system.

The Corrections Health program's mission is to ensure that inmates are not medically harmed during their jail stays, are medically and mentally stabilized, and are treated humanely. Suicide prevention is a primary goal.
