

**Priority:** Safety  
**Program Offer Type:** Existing Operating  
**Related Programs:**  
**Program Characteristics:**

**Lead Agency:** County Management  
**Program Contact:** Mindy Harris

**Executive Summary**

The program is the completion of the Public Safety Bond Fund projects that were approved by County voters in May 1996. Completed projects included construction of the Wapato Jail, improvements at Inverness Jail and the Justice Center; in addition the fund supported information technology projects such as the Electronic Sheriff's Warrants Information System and the District Attorney Case Tracking System.

**Program Description**

Final dollars from the Public Safety Bond Fund will be used to complete construction projects at the Wapato Jail. Specific FY 2009 projects from these funds have not been identified at time of budget submittal. The budget will be modified as more specific information is available.

**Program Justification**

Any projects approved would promote public safety as they contribute to the operation of the jail facilities. These facilities directly contribute to holding offenders accountable by providing jail beds, tracking offenders, offering treatment and work programs as well as community placement at the end of the sentences.
