**Executive Summary**

The Child Support Enforcement program provides parents with minor children with legal assistance in establishing, modifying and collecting child support, medical support and with legally establishing paternity.

**Program Description**

The program works cooperatively and collaboratively with all Oregon county jurisdictions, state and federal agencies, with all 50 states and dozens of foreign governments in the establishment and collection of child support and medical coverage. In addition the program works to legally establish paternity when necessary through DNA analysis and legal proceedings. With two locations (downtown, Gresham) the program routinely carries average caseload of approximately 8300 cases and collects approximately \$32 million annually. Every dollar collected through the program is sent out directly to custodial parents for the benefit of the minor child or children. This program benefits over 10,000 children annually in Multnomah County.

**Program Justification**

This program helps provide economic stability for thousands of families and over ten thousand children in Multnomah County. Through the establishment and collection of child support this program provides approximately 32 million dollars each year for the direct economic stability of families and caregivers. This program also provides links and referrals to important state and county services for those who are in need of more than financial support. The program assists in the establishment and enforcement of medical insurance orders which contributes to the physical health of citizens. With access to interpretation services and legal forms in a variety of languages, this program delivers services in a culturally competent manner.
