Priority: Basic Needs Lead Agency: County Human Services

Program Offer Type: Existing Operating Program Contact: Mary Li

Related Programs: 25114, 25133A

**Program Characteristics:** 

### **Executive Summary**

Housing administers public resources to expand affordable housing and infrastructure in low and moderate income communities through the Community Development Block Grant (CDBG), the Affordable Housing Development Program (AHDP), and the home improvement loan program. Additional program funds are earmarked for future use in the purchase of a mobile home park for preservation purposes. The program preserves approximately 35 and creates approximately 6 affordable housing units annually.

This program is a collaboration among DCHS, the City of Gresham, the City of Wood Village, the City of Fairview, the City of Troutdale, the City of Maywood Park, the City of Portland, and the community.

### **Program Description**

Using a regional collaborative approach and an advisory board comprised of citizens living in East County cities outside of Portland, Housing administers CDBG funds targeted to neighborhood revitalization, public services, and housing rehabilitation in East County. The AHDP which deeds County foreclosed properties to non-profit community development corporations for affordable housing development manages an on-going portfolio of approximately 450 units for program compliance and real estate transactions. A no cost home improvement loan program for fixed and low-income homeowners is maintained on behalf of the Portland Development Commission. Finally, program funds are reserved for the eventual purchase of a mobile home park at imminent risk of redevelopment.

#### **Program Justification**

Housing addresses the Basic Living Needs (BLN) Priority: "All Multnomah County residents and their families are able to meet their basic living needs", BLN Indicator 2: "% of renting households paying less than 30% of income for housing" and responds to Strategy 2: "Maintain a Healthy Community and Environment", and Strategy 5: "Assist in obtaining permanent and livable housing".

Federal and state funds improve the livability of existing low and moderate income housing and neighborhoods. Annually, 54% of funding for the homeless is directed to shelters and transitional housing, while only 12% supports permanent housing. Studies conducted for the 10 Year Plan to End Homelessness make it clear that, without abandoning people in need of immediate temporary housing, the County must devote greater resources to long-term solutions. Housing programs are designed to make investments in alignment with this policy direction.
