**Program Characteristics:**

**Executive Summary**

Multnomah County Justice Center court security includes providing armed deputies for the Arraignment courts, escorting prisoners from jails to court proceedings and taking persons into custody when ordered by the court. This program also includes the "Weekender Program" for inmates who serve their sentence during weekend days.

**Program Description**

Court Services Unit - Justice Center provides security for the four Arraignment Courts at the Justice Center. These are extremely busy and active courts with numerous defendants present at any one time, creating the potential for serious security issues. This program also provides supervision 10 hours for each day on Saturdays and Sundays for those inmates whom the court has allowed to serve their sentence in that manner and who turn themselves in for the day. It is located at the Courthouse Jail/Temporary Court Holding.

**Program Justification**

The Sheriff is mandated to provide security for the Courts and to provide access to the court for prisoners, a direct link to Offender Accountability. Arraignment is the first step of the court process for a defendant, and thus is critical to the court process. Lack of court security would create severe delays, due to increased security concerns. Delays contribute to slow courts, which directly affect populations held in the correctional facilities awaiting hearings and limit housing available for arrestees. Jail populations impact Community Safety since police have fewer options to confine arrestees prior to being seen by the Courts, which tends to negate Offender Accountability and impacts crime in our communities. The Weekender Program allows inmates to serve sentences without occupying a jail bed, which reduces jail population crowding. It is a cost effective means of handling sentenced persons.
