Executive Summary

This program offer requests the 4 enforcement deputy FTE lost due to Executive budget cuts from original program offer 60064A. The program offer originally submitted as 60064B is now 60064C.

The Civil Unit is the enforcement arm of the civil and probate court system. Notice and enforcement actions originate through the civil, probate, and family courts and are processed through the delivery and services made by this unit. Civil enforcement actions are mandated to the County Sheriff.

Program Description

The Civil Unit is the ministerial arm of the Circuit Court. All court actions are initiated through a notification to the parties of a pending action, many delivered by the Civil Unit. Through the Civil Unit, court orders to seize and sell property, satisfy landlord/tenant actions, and enforce child custody disputes are enforced in an objective, fair, and equitable manner in compliance with Oregon statutes and Rules on Civil Procedure. Through the Probate Court, families, police officers and other interested parties seek involuntary commitment for allegedly mentally ill persons suffering from episodes so debilitating that they are a danger to themselves or others. The Civil Unit Deputy locates, transports, and provides security for the person and the court. When domestic violence threatens the family unit, Deputies in the Civil Unit serve domestic violence restraining orders to protect family members from violence and aggressive behavior.

Program Justification

A balanced public safety system provides citizens access to address their grievances in a safe, fair and equitable manner. The Civil Unit facilitates the enforcement actions of the court to hold offenders accountable and maintain order and equity to all citizens. Through service of domestic violence restraining orders the Civil Unit helps stabilize the family unit and provide a safe environment so that battered women and abused children can focus on recovery through counseling, court action, or other social service opportunities. As part of the Treatment Service Continuum allegedly mentally ill persons are provided access to the mental health system.
