Executive Summary

The Directors Office manages the administrative services and financial health of the entire county and sets administrative policy. The responsibilities include Budget, Finance, Taxes, Human Resources, Facilities, Fleet, Records, Electronics, Distribution, Central Stores, and Information Technology.

Program Description

The Director develops and presents administrative, human resource, and infrastructure guidelines and policy to executive level staff, County Chair, Chief Operating Officer, and Board of County Commissioners (BCC). The Director works with DCM Division Managers, Chair, BCC and departments to establish priorities and guidelines and assure policies are aligned with these priorities. Works with Departments and human resource personnel to recruit, train and retain a high quality diverse work force. Provides project management for county-wide projects identified by the Chair's Office. Works with Board and departments on facility, information technology and other infrastructure policy of the County. Works with Budget to maximize federal financial leveraging and to reduce ongoing financial structural deficit.

Program Justification

The Director contributes to the Accountability Priority by providing leadership, administrative resource management and results that positively affect the operations of the entire County. The Director provides sound administrative and financial management policy recommendations to the Chair, BCC, other elected officials and department directors that results in the County maintaining a high bond rating, involving the community in producing a balanced County budget, recruiting and maintaining a high quality diverse workforce, maintaining its facilities and numerous other administrative and financial initiatives. The Director communicates the quality of services provided by the County to all citizens.
