Executive Summary

Cut program for operating 59 additional beds at the Inverness Jail.

MCIJ is a medium security, direct supervision correctional facility. It ensures the proper custody, control and supervision of county, state and federal inmates. Inverness supports program activities for offenders needing counseling, education, and mental health services to facilitate inmate's transition back to the community and creates work opportunities for sentenced inmates.

Medical, mental health and dental services in male and female general housing, clinical services and 10 bed Infirmary/ skilled and isolation care and 24 hour emergency response, evaluation and treatment.

Program Description

This offer eliminates one dorm at Inverness which houses 59 offenders.

The Inverness Jail is a direct supervision, dormitory facility founded on the principles of re-engineering the responsibilities of the inmates. The current facility population is 1,014 inmates. The operations of the facility with available resources offers a practical range of detention options including confinement, community linked programs and other similar sanctions to best serve the needs of society and individual offenders, enhancing offenders ability to reenter the community in a law abiding manner.

Corrections deputies from MCIJ also supervise inmates under medical care at hospitals.

Program Justification

The Inverness Jail is established in accordance with applicable state statues and regulations, with the goal of ensuring public safety by providing professionally managed detention services to confined offenders, pursuant to judgment of the courts. The jail administers its operation in an equitable manner, and in the least restrictive environment consistent with public safety. The facility serves as the central link for regional networking through the inmate transport system.

The Corrections Health program's mission is to ensure that inmates are not medically harmed during their jail stays, are medically and mentally stabilized, and are treated humanely. Suicide prevention is a primary goal.
