Executive Summary

The Felony Trial Unit B holds offenders accountable by prosecuting drug and vice cases involving: manufacturing, distribution and possession of controlled substances, promoting prostitution and works closely with the Regional Organized Crime and Narcotics task force (ROCN) in the tri-county region.

Program Description

This program engages in the review and prosecution of cases involving drug and vice crimes such as the manufacture, distribution and possession of controlled substances and the promotion of prostitution. This program has a key role in the local drug control strategy of reducing the supply of drugs through aggressive enforcement and prosecution. The program works co-operatively with other state and local law enforcement agencies and the Department of Community Justice and the Courts, to reduce the demand for illegal drugs by requiring offenders to enter into mandatory treatment programs and drug courts. This program stands as the gatekeeper for holding offenders accountable, improving social conditions by requiring addiction treatment, reducing illegal drug activity in our schools and helping to support the cost of local drug treatment programs. In the continuum of prosecution services, this unit prosecutes mid-level and some low level offenders and is key to making sure that offenders are held accountable for their criminal behavior.
