Executive Summary

During fiscal year 2010 the North/Northeast Neighborhood DA position was moved in order to cover a shortfall in another trial unit. This program offer would restore this position. The Neighborhood DA program reviews and issues charging documents on misdemeanor cases, and works with local individual citizens, community groups, neighborhood associations, business associations and law enforcement agencies to identify and develop strategies to combat quality of life crimes.

Program Description

This is a nationally recognized model program for engaging a variety community, business and law enforcement partners in identifying crime issues and developing strategies within a community to combat quality of life crime in neighborhoods. The Neighborhood prosecutors are currently strategically located in East, West and the Gresham areas. Specialized prosecutors are contracted with Lloyd Business District and Tri-Met to prosecute misdemeanor crimes specific to those entities. In addition the program issues approximately one third of all misdemeanors processed by the office. This program offer would restore the North/Northeast Neighborhood DA.

The program also has one prosecutor assigned to Project Safe Neighborhoods. This project works collaboratively with El Programa Hispano to educate Latino youth and their families about gun crimes and penalties and in developing strategies to reduce gun crimes in neighborhoods and schools. The program works cooperatively with law enforcement agencies and other public safety partners to review and issue charging documents on misdemeanor cases.
