Executive Summary

The Child Support Enforcement program provides parents with minor children with legal assistance in establishing, modifying and collecting child support, medical support and with legally establishing paternity.

Program Description

The program works cooperatively and collaboratively with all Oregon county jurisdictions, state and federal agencies, with all 50 states and dozens of foreign governments in the establishment and collection of child support and medical coverage. In addition the program works to legally establish paternity when necessary through DNA analysis and legal proceedings.

With two locations (downtown, Gresham) the program routinely carries average caseload of approximately 8300 cases and collects approximately \$32 million annually. Every dollar collected through the program is sent out directly to custodial parents for the benefit of the minor child or children. This program benefits over 10,000 children annually in Multnomah County.
