### Executive Summary

This offer provides Deputy Sheriff services to the court for the Juvenile Justice Center. Deputies assigned to the Juvenile Justice Center are part of an integrated approach to the judicial process which ensures the integrity and safety of the juvenile courts, its participants and the facility by effectively evaluating, planning and pro-actively managing safety and potential threats toward the court system. Deputies also deliver juvenile defendants to and from court matters as required by state statute.

### Program Description

Deputy Sheriff services are necessary to both the delivery of defendants and security of the court facility and operation. Deputy Sheriff presence allows for response to incidents within the court rooms and facility as a whole. Deputies assigned assist with coordination of internal movement of juveniles with detention staff and counselors to court proceedings and attorney visitation. The Deputy's presence in the courtroom is essential for safety to the judiciary, staff and public as many of the proceedings convene as family dependency cases, related domestic cases and Measure 11 youth. In addition to court system responsibilities, deputies conduct daily transports of juveniles to and from outside facilities to include Hillcrest, McClaren, the Department of Corrections and to court proceedings arranged at the courthouse in downtown Portland. Transports to the courthouse become more detailed in safety as need for separation of juvenile defendants from adult defendants.

The Sheriff is mandated to provide security for the Courts and to provide access to the court for prisoners, a direct link to Offender Accountability. Delays result in a multitude of criminal justice complications, which may lead to legal action or other proceedings by the Courts. Delays contribute to slow courts, which directly affect populations held in the correctional facilities awaiting hearings and trials and limit housing available for arrestees. Jail populations impact Community Safety since police have fewer options to confine arrestees prior to being seen by the Courts, which tends to negate Offender Accountability and impacts crime in our communities.
