Executive Summary

In 2007, there were approximately 30,000 outstanding warrants in Multnomah County and as of February 1, 2010, there are approximately 22,000 outstanding warrants in Multnomah County including 15000 misdemeanors and 70000 felony warrants. Excessive unserved warrants is a problem Multnomah County shares with many other jurisdictions and this primary cause of this problem is the lack of resources to arrest wanted subjects. Warrant backlogs keep wanted persons from being held accountable for their actions and threaten public safety. Four full-time deputies are currently assigned to the Warrant Strike Team. This program was originally purchased in October of 2007 with a General Fund Contingency. This program is necessary to serve misdemeanor and felony warrants which benefits citizens by removing wanted subjects from our neighborhoods, preventing crime and associated costs to future victims and potential prosecutorial cost savings.

Program Description

The purpose of this program is to reduce the number of felony and misdemeanor warrant offenders that currently reside in Multnomah County. The Warrant Strike Team is responsible for arresting persons with felony and misdemeanor warrants issued by the courts to include warrants for Measure 11 offenses. In May of 2007, Multnomah County Commissioner Lisa Naito produced a "3 step action plan to address the excessive number of outstanding warrants in Multnomah County". This plan included funding for the addition of two deputies to the Multnomah County Sheriff's Office Law Enforcement Division in the creation of this program. Members of MCSO met with local police agencies and the Multnomah County District Attorney's Office to establish initial operating protocols to include the prioritization of warrants to be served by strike team deputies. After the initial implementation period, strike team members identified two areas necessitating a request for two additional deputies. The two areas identified were safety/inmate transport and the need to address the large number of individuals residing/visiting with "out of area" warrants. MCSO, the Board of Commissioners and District Attorney's Office sponsored an effort to fund two additional deputy sheriffs to the Warrant Strike Team. The Multnomah County Sheriff's Office Warrant Strike Team is charged by the Multnomah County Board of Commissioners and the State of Oregon (ORS 206.010) to serve felony and misdemeanor warrants issued in Multnomah County, Oregon. The Warrant Strike Team operates in partnership with the Multnomah County District Attorney's office where the team's primary office is located. The Warrant Strike Team works closely with DA's office members to prioritize and manage the execution of specific warrants. This program has had a positive impact on the number of wanted persons arrested and number of attempt service of warrants which assists the DA's office in addressing "speedy trial" issues.
