Executive Summary

LifeWorks NW performs mental health assessments of individuals receiving domestic violence-related services in Multnomah County, including the four domestic violence shelters and the Gateway Center. This program offer would continue the funding for one clinician that began as a result of a pharmacy settlement.

Program Description

A LifeWorks NW clinician performs mental health assessments to individuals who are receiving domestic violence-related services in Multnomah County, including the four domestic violence shelters and the Gateway Center. This position is filled by a clinician who serves as a liaison between domestic violence and mental health and addiction providers. The clinician travels to each of the shelters on a regular basis and also spends approximately two-thirds of her time at the Gateway Center. She attends the appropriate domestic violence community meetings and events (such as the monthly Family Violence Coordinating Council meetings) and provides training to facilitate increased knowledge and understanding between the mental health and domestic violence providers. The clinician also carries a small caseload of uninsured clients and provides group services such as Seeking Safety and a domestic violence process group that supplements what is offered within the domestic violence agency settings.
