Executive Summary

The county's managed mental health organization, Verity, is required to pay a 1% provider tax to the state to leverage additional federal funds for the Oregon Health Plan. The additional funds received by the state are then redistributed through the Oregon Health Plan reimbursement.

Program Description

The Oregon State Legislature approved a tax on managed care plans to support benefits for Oregon Health Plan Standard enrollees. The dollars raised by the tax on managed care plans are eligible to be matched by federal Medicaid funds. The federal government will match every dollar the state raises with \$1.50. This additional money is used by the state to fund Oregon Health Plan benefits so that individuals at a higher percentage of the federal poverty level can receive healthcare, including mental health care.
