Executive Summary

Community Development administers public resources to expand affordable housing and infrastructure in low and moderate income communities through the federal Community Development Block Grant (CDBG), the Affordable Housing Development Program (AHDP), and the home improvement loan program.

It is a collaboration among DCHS, the cities of Gresham, Wood Village, Fairview, Troutdale, Maywood Park, Portland, and the community.

The program preserves approximately 50 housing units, and will create approximately three affordable housing units next year.

Program Description

Using a regional collaborative approach, an advisory board comprised of citizens living in East County cities outside of Portland administers Community Development Block Grant funds targeted to neighborhood revitalization, public services, and housing rehabilitation in East County.

The Affordable Housing Development Program (AHDP) deeds county foreclosed properties to non-profit community development corporations for affordable housing development and manages an ongoing portfolio of approximately 450 units for program compliance and real estate transactions.

A no-cost home improvement loan program for fixed and low-income homeowners is maintained on behalf of the Portland Development Commission.

Federal and state funds improve the livability of existing low and moderate income housing and neighborhoods. Annually, 54% of funding for the homeless is directed to shelters and transitional housing, while only 12% supports permanent housing. Studies conducted for the 10 Year Plan to End Homelessness make it clear that without abandoning people in need of immediate temporary housing, the county must devote greater resources to long-term solutions. Housing programs are designed to make investments in alignment with this policy direction.
