Executive Summary

Northeast Health Center (NEHC), provides comprehensive primary care and behavioral health services to the diverse, poor, underserved residents in NE Portland. The NE clinic was strategically placed to provide culturally competent care to a population that otherwise may not have access to medical care.

Program Description

Northeast Health Center primary care services are designed to be a patient centered medical home. This includes reducing barriers to access, integration of behavioral health services, providing continuity and coordination of services and collaboration with community partners. Culturally competent primary care services are provided which include, treatment of acute and chronic illnesses, behavioral health, family planning, prenatal and preventive services (well child, immunizations). Ancillary support services are operationally integrated and include pharmacy and lab. Enabling services include Medicaid eligibility screening, medical interpretation, transportation, case management and health education. Northeast Health Center serves a racially diverse population of which 75% are below 100% of the Federal Poverty level, 25% are uninsured, 70% are Medicaid recipients and 4% are Medicare. Northeast Health Center plays a significant role in providing safety net medical services to residents in the community.

Performance Measure - Description

Output: Total number of client visits. Outcome: % of children who are immunized by 35 months: Immunizations are vitally important in preventing infectious diseases, many of which can occur in the first year of life. Efficiency: # of days for new patient appointment: Measures effectiveness of timely availability for underserved Multnomah County residents to access health care services. Quality: Client satisfaction survey question which asks if they would recommend this clinic to family/friends. Performance Measure variance # of children who are up to date on immunizations--current improvement efforts across Primary Care clinics is underway to improve rate of immunization % of patients who would strongly agree--clinic focus group formed to address specific identified issues.

Legal/Contractual Obligation

The NEHC complies with the Bureau of Primary Health Care (BPHC) grant, state Family Planning agency grant, Joint Commission Accreditation requirements, CLIA (Laboratory accreditation) requirements and CareOregon contractual obligations. The NEHC contracts with CARES Northwest at Legacy Emanuel Hospital to provide two days per week of medical assessment services for children suspected to be victims of child abuse.

Significant Program Changes

Last year this program was: #40020, Northeast Health Clinic

The Northeast Health Clinic has a net increase of \$166,719 in revenue for FY2012. A new provider team was added to the clinic in FY2011 budget modification and additional provider productivity has increased medical visit revenue by \$672,864. Offsetting the additional revenue was the end of the ARRA grant funds for Capital improvement Project which reduced revenue and supplies expenditures by \$535,000. The increase in FTE is from the new provider team and changes in FTE between job classes to align with client services.
