Executive Summary

As a response to community concerns about the increase in criminal activity, Multnomah County has collaborated with the City of Portland, the District Attorney's Office and Lifeworks Northwest to address specific issues related to prostitution. The goal of the Prostitution Alternatives Program is to reduce offender risks and promote long-term behavioral and attitudinal change.

Program Description

The Prostitution Alternatives Program is a collaborative program with Portland Police, the Department of Community Justice (DCJ), the District Attorney's Office and Lifeworks Northwest. DCJ acts a pass-through and program developer for the treatment component of the program. Although the target population remains focused on individuals who have "worked" Northeast 82nd Avenue and Sandy Boulevard, if there is room available, women from all quadrants of the city may access services.

Up to 90 girls and women will receive services through a contract with Lifeworks Northwest for the New Options for Women program. If a person is accepted into the Prostitution Alternatives Program, they can receive alcohol and drug treatment, mental health services, mentoring, housing, and employment search assistance. The police are actively involved and upon evaluating the woman's circumstances, will either detain the woman or bring her to one of the service outlets.
