Executive Summary

This offer is for the operation 138 beds at the MCIJ.

These single cell dorms house inmates who create the potential for compromising safety and security. These dorm are more restrictive environments with enhanced security, as part of the objective classification system.

Program Description

This offer operates two dorms: one dorm is for 73 single cells and a second dorm for 65 beds. The Inverness Jail is operated in accordance with applicable state statutes and regulations, with the goal of ensuring public safety by providing professionally managed detention services to pretrial inmates and sentenced offenders. The facility also serves as the central link for regional networking through the inmate transport system.

The Corrections Health program's mission is to ensure that inmates are not medically harmed during their jail stays, are medically and mentally stabilized, and are treated humanely. Suicide prevention is a primary goal.
