

**Lead Agency:** Department of County

**Program Contact:** Colleen Bowles

**Program Offer Type:** Administration

**Related Programs:**

**Program Characteristics:**

**Executive Summary**

Facilities and Property Management (FPM) pays debt service and capital cash transfers which are administratively "passed-through" as an expense to County departments as building charges to the respective tenants in those facilities.

**Program Description**

FPM manages the Countywide building portfolio for debt and capital cash transfer expenses. Due to allocations needed by departments for Federal/State/Local grants these expenses are reallocated back to the tenants either occupying or leasing the facility. This process equitably distributes costs between County departments and ensures that facilities costs for grant-funded projects are appropriately charged to those grants and not subsidized by the County General Fund.

**Performance Measures**

## Explanation of Revenues

FPM generates revenues by directly passing-through the actual expenses related to debt and capital cash transfers. We receive reimbursement through internal client service funds.

## Significant Program Changes

**Last year this program was:** #72067, Facilities Administrative Pass-Through

Changes in accounting rules from the Government Accounting Standards Board (GASB) have significantly changed how cash transfers are reported. GASB Statement 54 provides guidance for Restricted Fund Balance Reporting which identifies amounts constrained for a specific purpose by external parties, constitutional provision or enabling legislation. Due to this new rule, over \$5,000,000 of capital funds are no longer transferred through Facilities Operations Fund 3505, but instead those funds are transferred directly from clients funds into Capital Improvement (2507) and Asset Preservation (2509) funds respectively.
