Program Description

The Domestic Violence program screens and prosecutes domestic violence cases including misdemeanors, felonies, homicides, and restraining order violations. In conjunction with the Victims Assistance program, it provides outreach and access to support services to all victims of domestic violence with a special emphasis on victims from under-served populations. Working in collaboration with state and local law enforcement, Community Justice and a variety of local nonprofit domestic violence organizations and shelters, the program includes a six month deferred prosecution program with individualized treatment plans closely monitored by probation officers. Support includes specialized services; personal contact by a victim advocate; information resources and referrals for social services, coordination with social service agencies, accompaniment to court proceedings, notification of rights and remedies and assistance in exercising those rights. This program provides a specialized emphasis on prosecution of elder abuse cases in Multnomah County.
