Executive Summary

The Department of Community Justice (DCJ) Business Services provides administrative and business support to the Department. This area develops DCJ's county and state budgets and monitors spending throughout the budget cycles. In addition to budget analysis, this area manages grant proposals and awards, accounts receivable and payable, Medicaid billing, procurement and contract development.

Program Description

DCJ Business Services supports the Department through sound, accurate and transparent financial management. DCJ is funded by a variety of federal, state, local and other grant sources. A primary responsibility of Business Services is to integrate these resources to develop a balanced budget that meets Oregon Budget Law, County's policies, and the accounting practices established by the County's Chief Financial Officer. Business Services ensures that the Department's budget adequately supports operations and aligns with the programs authorized by the Board of County Commissioners.

Business Services also continually monitors departmental spending throughout the budget cycles so that spending occurs within designated spending limits. Business Services participates in cross-County teams such as the County Operations Council, Purchasing/Contract Committees and the Finance Users Group. This area also sees that cash handling and accounting are closely monitored and that contracts meet County Attorney standards and provides legal authority to procure goods and services for the programs.
