Executive Summary

The Facility Security Unit (FSU) is the first contact point for the public and for professional persons, such as attorneys and counselors, entering the Juvenile Justice Center (JJC). The core functions of the FSU include public safety and assistance, security, and referral. These functions are accomplished through one on one contact with the public, entry security screening, and knowledge of the criminal justice system. The presence of uniformed Facility Security Officers (FSO's) helps to deter both disruptions to court operations and criminal activity in the facility.

Program Description

The Facility Security Officers who work at the JJC are primarily responsible for creating a safe environment for the public, staff, and others who work or visit the JJC. This is done by security screening of all entrants into the facility via x-ray and magnetometer, the presence of uniformed FSO's, area patrols, and one on one contact with the public. Persons entering the JJC may be under the influence of drugs, alcohol, facing the loss of their children, or suffering some other life altering situations, such as time in jail. The FSO's provide a positive presence to assist these persons in successfully transacting their business at the JJC while keeping disruptions minimal. Disruptions and criminal activity interfere with facility and court operations. They also create difficulties for the families, staff and professional persons conducting court business. All of this can result in higher costs to the tax payer if court and facility functions are disrupted and need to be delayed or postponed. The effectiveness of our work is seen in the low ratio of exclusions from the JJC to the number of persons screened for entry.

Performance Measures

Measure Type	Primary Measure	Previous Year Actual (FY09-10)	Current Year Purchased (FY10-11)	Current Year Estimate (FY10-11)	Next Year Offer (FY11-12)
Output	Number of persons screened	55,146	60,162	53,650	55,000
Outcome	Number of exclusions	0	5	3	5

Performance Measure - Description
