Program Characteristics: One-Time-Only Request, Climate Action Plan

Executive Summary

This program offer supports the Multnomah County 2009 Climate Action Plan (CAP) which serves as the 40-year roadmap for the institutional and individual change needed to climate change resilient community. Because many climate adaptation planning activities are closely related to other hazard mitigation activities, Multnomah County Emergency Management (MCEM) has a critical role in coordinating climate adaptation planning across county departments. This program offer will fund the coordination of county climate adaption planning across departments.

Program Description

This Program Offer is designed to implement actionable items in the Climate Action Plan by focusing on initiatives that intersect between traditional emergency management activities (hazard mitigation) and climate change preparedness (climate adaptation planning.)

Specifically the resource requested in this offer will:

- 1) Lead MCEM efforts to meet its obligations under Action #17-1 and #17-5 dealing with climate adaptation planning
- 2) Lead a countywide climate vulnerability assessment in conjunction with operating departments. Work with other emergency management agencies regionally to coordinate climate change adaptation efforts.
- 3) Work with county departments to identify and implement climate adaptation planning activities within those departments.
- 4) Provide a single point of contact for internal and external stakeholders who want information about climate adaptation planning and county efforts to accomplish such planning.
