Executive Summary

Northeast Health Center (NEHC), provides comprehensive primary care and behavioral health services to the diverse, poor, underserved residents in NE Portland. The Northeast clinic was strategically placed to provide culturally competent care to a population that otherwise may not have access to medical care.

Program Description

Northeast Health Clinic primary care services are designed to be a patient centered medical home. This includes reducing barriers to access, integration of behavioral health services, providing continuity and coordination of services and collaboration with community partners. Culturally competent primary care services are provided which include, treatment of acute and chronic illnesses, behavioral health, family planning, prenatal and preventive services (well child, immunizations). Ancillary support services are operationally integrated and include pharmacy and lab. Enabling services include Medicaid eligibility screening, medical interpretation, transportation, case management and health education. Northeast Health Clinic serves a racially diverse population of which 75% are below 100% of the Federal Poverty level, 25% are uninsured, 70% are Medicaid recipients and 4% use Medicare. Northeast Health Clinic plays a significant role in providing safety net medical services to residents in the community.

Performance Measures

Measure Type	Primary Measure	Previous Year Actual (FY10-11)	Current Year Purchased (FY11-12)	Current Year Estimate (FY11-12)	Next Year Offer (FY12-13)
Output	Number of annual client visits	24,859	25,284	24,656	26,214
Outcome	Percentage of children who are up to date on immunizations at 35 months of age	74.0%	85.0%	83.0%	85.0%
Efficiency	Number of days for a new patient appointment	6	7	7	7
Quality	% of patients who would "strongly agree" to recommend clinic to friends/family	64.0%	70.0%	71.0%	75.0%

Performance Measure - Description

Output: Total number of client visits.

Outcome: % of children who are immunized by 35 months: Immunizations are vitally important in preventing infectious diseases, many of which can occur in the first year of life.

Efficiency: # of days for new patient appointment: Measures effectiveness of timely availability for underserved Multnomah County residents to access health care services.

Quality: Client satisfaction survey question which asks if they would recommend this clinic to family/friends.

Legal/Contractual Obligation

The NEHC complies with the Bureau of Primary Health Care (BPHC) grant, State Family Planning agency grant, Joint Commission Accreditation requirements, CLIA (Laboratory accreditation) requirements and CareOregon contractual obligations. The NEHC contracts with CARES Northwest at Legacy Emanuel Hospital to provide two days per week of medical assessment services for children suspected to be victims of child abuse.
