Executive Summary

Juvenile Detention protects the community by holding youth in custody when it has been determined that they are a serious risk to public safety and/or are high risk to not appear for court. In FY 2011, over 1,100 youth were brought to Juvenile Detention for intake screening. This offer funds 48 of the 64 beds required to meet the County's daily detention needs and also provides a 16-bed unit (funded by Morrison Child and Family Services) for youth under the jurisdiction of the Division of Unaccompanied Minor Children Services, Office of Refugee Resettlement (ORR).

Program Description

The Juvenile Detention facility has a capacity of 191 beds. Of the 64 beds required to meet the County's daily detention needs, 28 beds are contracted and reserved for Clackamas and Washington Counties. The remaining 36 beds hold high risk Multnomah County youth who are NOT appropriate for community placement. Of those 36 beds, a unit of 16 beds must be kept available for female clients.

Funding for the County's 48 beds allows for Intake and Admissions services and housing arrangements for youth who are awaiting a trial, who are parole violators, who have serious probation violations, or who are out-of-state holds awaiting to be returned to their jurisdiction.

The ability to safely detain delinquent youth is mandated by Oregon law and is essential to community protection. Decisions to hold youth are based on the results of a validated detention screening system. This system has saved Multnomah County millions of dollars by safely diverting lower risk youth into less costly community placement alternatives. The ability to house tri-county youth in one facility maximizes the use of space and provides the flexibility needed to structure units according to age and gender.

The additional 16 bed unit is tied to a grant Morrison Child and Family Services received to provide secure shelter for youth under supervision of the Office of Refugee Resettlement. The majority of these youth are from Mexico and Latin American countries and without parents or guardians in the United States. This is a revenue agreement in which DCJ serves as a subcontractor of Morrison.
