Program Description

As poverty and the need for services continue to move east, Commissioner McKeel will continue to provide strong leadership and advocate for services to follow the shifting demographics of our county.

As a member of the Board of County Commissioners, Commissioner McKeel is responsible for introducing legislation, setting policy and working hard to effectively represent the residents of District 4. The Board serves as the County Budget Committee and the Commissioner has the shared responsibility of allocating the County's resources through the budget process. The Board is required by law to adopt a balanced budget.

Commissioner Diane McKeel and her staff were able to accomplish a great deal in FY11-12 including helping to lead the effort around the East County Court facility, which opened in April, and working towards comprehensive legislation to help victims of human trafficking. She continues to Chair the East Multnomah County Transportation Committee and has been instrumental in guiding the East Metro Connections Corridor Study.

Commissioner McKeel plans to take on several new initiatives in FY13, including expanding work site wellness options for Multnomah County employees, assisting with the effort to get the USS Ranger located in the region and increasing awareness around the benefits of mentoring.

Commissioner McKeel will continue her successful work around combating domestic human trafficking, increasing veterans' services, economic development and representing the county at the State and Federal level.
