### Executive Summary

The mission of the Commission on Children, Families & Community (CCFC) is to impact policy, leverage resources and make strategic investments to build a thriving community. The CCFC serves as the Board of County Commissioners citizen policy advisers on children, families, and poverty policy. One of the most important services the CCFC can offer the board is to inform their decisions with the voices of those most impacted by the County's decisions. To this end the CCFC focuses on engaging several of the County's core constituencies: communities of color, people living on a low-income, and youth.

### Program Description

The CCFC continues its focus on implementing the 6-year Community Plan, which was adopted by the Board of County Commissioners in January 2008.

The goal areas and related key activities are:

1. Academic and life success for all children and youth
  - a) reduce barriers to educational success and increase student connection to schools by increasing child and youth access to medical care.
  - b) advance the Early Childhood Policy Framework including co-convening the Cradle to Career Ready for Kindergarten collaborative.
  - c) Improve education equity and reduce drop-out through a focus on disproportionate suspensions and expulsions.
2. Economic security and assets for all individuals and families:
  - a) decrease child and family poverty by increasing low-income families' financial and social assets.
  - b) increase percentage of children and parent enrolled in Healthy Kids and the Oregon Health Plan as well as TANF and SNAP.
3. Engaged communities to build healthy neighborhoods
  - a) Continue collaboration with City of Portland in supporting the work of the Multnomah Youth Commission
  - b) Engagement of diverse youth and low-income persons

Additionally, the CCFC excels in leveraging resources to benefit Multnomah County and its residents. In FY12, the 2.49 million investment in the CCFC leveraged over 22 million in resources to our local economy.

### Legal/Contractual Obligation

The Community Action Board is a federal designation, per ORS, dating from 1964. The Commission on Children and Families system was created in 1993 through HB 2004 all requirements of Counties to maintain a Commission on Children & Families were eliminated by the State Legislature in 2011.

In 1998, through Ordinance No. 921, the Board of County Commissioners joined the two entities, creating the Commission on Children, Families and Community.

In 2007, Multnomah County and the City of Portland entered into contract #0708066 to enhance youth engagement and involvement with our local jurisdictions. This engagement is primarily through the Joint City/County Youth Commission which the CCFC houses and is charged with staffing.
