### Performance Measure - Description

The number of attorney direct service hours represents attorney time dedicated to litigation, legal consultation, legal document preparation and review, and client training. Direct service hours exclude time spent on professional development, administrative, clerical, or office related tasks. Office attorneys dedicate the vast majority of their time providing direct services.

A tort claim is a notice of intent to bring a lawsuit for damages against the County or its employees. A downward trend in the number of tort claim notices could be attributed to a number of factors, including consultation with attorneys on policies and practices to establish best practices and avoid unlawful conduct.

### Legal/Contractual Obligation

Multnomah County Code Chapter 25 established the Office of County Attorney and charges the County Attorney to be the Chief Legal Officer of the County.
