Executive Summary

This program offer budgets the revenue and expenditures associated with the County's commitment to fund the Oregon Convention Center and the Visitor's Development Initiative. This program operates under intergovernmental agreements (IGAs) between Multnomah County, the City of Portland, and METRO. The program accounts for proceeds of the Transient Lodging Tax and Motor Vehicle Rental Tax that are passed through to METRO for operation of the Oregon Convention Center and other tourism related entities.

Program Description

This program accounts for a portion of taxes collected from area hotels, motels, and vehicle rental agencies. The Transient Lodging Tax has supported the Oregon Convention Center since 1986. The tax is set at 11.5% on all hotel and motel room rentals in Multnomah County. Cities retain 5% of the tax generated within their boundaries. Another one percent supports regional tourism promotion. The remaining 5.5% supports programs associated with the Oregon Convention Center, the Regional Arts & Culture Council (RACC), and the Visitors Development Board. The Motor Vehicle Rental Tax was increased by the Board of County Commissioners in April, 2000. This 2.5% increment is entirely dedicated to support of the activities noted above.

This program supports the Oregon Convention Center which hosts programs, conferences, and events that bring visitors and business groups to Portland. The tourism and travel industry is among the leading private sector employers in Oregon. Large conventions generate significant activity for local hotels, restaurants, and retail establishments. Travel Portland has estimated that a typical out-of-town convention delegate will spend between \$600-\$700 during a three-day stay in the region. A report prepared in 2011 by Crossroads Consulting Services documents the dollar impact of the visitors facilities managed by METRO. The report estimates the economic impact at just less than \$682 million per year.
