### Executive Summary

This offer is built on Emergency Management program offer 10028. Multnomah County maintains active engagement in the Department of Homeland Security Portland Urban Area Security Initiative (UASI) region emergency policy, planning and preparedness efforts. UASI provides funds to jurisdictions and agencies within the region for regional planning staff, equipment, training and planning.

Significant changes are underway for the UASI program in general, however these changes will not effect the budget of this program or the staffing pattern in FY13.

### Program Description

The UASI region includes Clackamas, Columbia, Washington, Multnomah and Clark (WA) counties, and the City of Portland as the administrative agency. UASI grant funds are used regionally for a wide range of preparedness and response capacities in areas such as transportation, law enforcement, IT security and citizen preparedness to support the region's homeland security strategy. The County's Emergency Management Director sits on the Regional Disaster Preparedness (RDPO) Steering Committee which develops strategies which include use of the UASI grant.

This offer reflects MCEM's staffing positions for UASI support to the following inter-jurisdictional working groups/Committees: Maritime and Civil Aviation, RDPO Steering Committee, RDPO Program Committee, Public Health and Medical Working Group, Resource Management Committee and Regional Training Committee.

Projects include Regional Logistics Support Team, Regional Resource Inventory and Typing Project, and development of a regional GIS integration proposal.

Public Health/Medical Working Group-related activities include City Readiness Initiative exercise support, EMTrack (electronic patient tracking) Project Implementation Team, Northwest Renal Emergency Preparedness Coalition.
