Executive Summary

This program offer supports 1 FTE Deputy DA 2 position that was previously funded through the City of Portland to prosecute cases in drug impacted areas of the County and to impose and enforce exclusion orders through the court as a part of their probation.

Program Description

The Drug Impact Area (DIA) Deputy DA works closely with local law enforcement and community organizations to identify and prosecute offenders committing drug related crimes in drug impacted areas of the County. Prosecuting these crimes as felonies or misdemeanors provides the Deputy DA an opportunity to request that the court impose exclusion or stay away orders as a condition of probation. If the offender violates this order they are considered in violation of their probation. Since the start of the DIA program, 240 criminal cases (169 felonies and 71 misdemeanors) have been issued involving the unlawful delivery or possession of heroin, cocaine, and marijuana that occurred in one of the 3 Drug Impact Areas. Since the inception of the DIA program, 164 cases that were formerly eligible for violation treatment have been issued as misdemeanors. To date, 244 defendants have been excluded from the DIAs as a condition of probation.
