Executive Summary

Aging and Disability Services Division (ADS), as the designated Area Agency on Aging and Disability for Multnomah County, is responsible for assuring the county's 210,000 older adults, persons with disabilities and veterans have access to a comprehensive and coordinated service delivery system so that they remain independent and out of institutions. ADS Administration provides leadership, assures that results are achieved, ensures regulatory compliance, supports collaborative service delivery and use of best practices, and promotes the efficient and effective use of resources.

Program Description

Aging and Disability Services Division (ADS) Administration provides leadership at the state and federal policy levels. ADS Administration influences rules, priorities and funding formulas to promote effective services for Multnomah County older adults and people with disabilities. Administration is responsible for policy, planning, evaluation, advocacy and staff development for the division, which serves more than 50,000 people and employs 312 staff.

ADS Administration is responsible for educating and informing the public about ADS services and performance, and involving advisors in program planning and decision making. It is responsible for providing leadership that strengthens workforce competencies, advances quality improvement and evidence-based practices, and ensures culturally responsive services.

ADS Administration manages the division budget and programs to maximize revenue, hold down costs and deliver services more effectively. It provides fiscal oversight for the division and is responsible for managing a complex budget with multiple funding sources and requirements, and maximizes resources by matching federal Medicaid funds and leveraging additional resources from the community through its partnerships. ADS Administration coordinates efforts within the county and with other levels of government agencies to remove barriers and assure easy access to a seamless service system.

Satisfaction surveys and customer input are used to continually improve ADS services. The division has three Advisory Councils (Elders in Action, Disability Services Advisory Council and Multi-Ethnic Action Committee) that provide specific input on how to provide the best services to older adults, persons with disabilities and ethnic minorities or persons for whom English is not their first language. ADS Administration employs innovative, evidence-based approaches to service delivery, and uses data, best practice reviews, staff experience, support from partners and other resources to serve clients effectively within available resources.
