Executive Summary

The Adult Mental Health Initiative (AMHI): diverts individuals from Oregon State Hospital (OSH); coordinates successful discharge from OSH into appropriate community placements; coordinates care for individuals residing primarily in licensed residential facilities in order to move individuals into the least restrictive housing possible; and care coordinates and develops supports to maximize independent living.

Program Description

Mental Health and Addiction Services (MHASD) staff work with other MHASD units, OSH, Addictions and Mental Health (AMH), Mental Health Organizations (MHOs) and other counties to coordinate the placement and movement of individuals primarily within a statewide network of licensed housing providers. New or enhanced services offered by AMHI can include: supported housing development and rental assistance to increase housing options matched to client need; Exceptional Needs care coordination to assure access to appropriate housing placements and the development of supports to increase success in the community; referrals to Supported Employment and Assertive Community Treatment to help move clients towards greater independence; and transition planning management to assure the most efficient utilization of the licensed residential housing stock within the community.

The overarching goal of AMHI is assisting individuals to achieve the maximum level of independent functioning possible. This goal is achieved by diverting individuals from admission to OSH; supporting quick, safe and appropriate discharges from OSH into the community; and providing supports (skills training, etc.) to help individuals achieve as independent living as possible in the least restrictive housing environment. These three goals are quantified as Qualifying Events (QEs) in the Performance Measures.

Performance Measures

Measure Type	Primary Measure	Previous Year Actual (FY10-11)	Current Year Purchased (FY11-12)	Current Year Estimate (FY11-12)	Next Year Offer (FY12-13)

Outcome	Number of Qualifying Events	0	0	190	208

Performance Measure - Description

✓ **Measure Changed**

The previous measure only measured diversions, and discharges from OSH. The contractual measure of performance are total Qualifying Events, defined as total of OSH diversions, OSH discharges, and discharges to lower levels of residential care within the community (i.e., increase independent living).
